## Welcome to Home!

Please cut and paste the link below to learn more about the three great platforms you gain access too when you enrol your child into Explor.

<https://support.ourxplor.com/hc/en-us/articles/900000777683-New-Parent-Guardian-Set-Up->

As a parent/guardian, you have access to up to three of our platforms:

1. Home App
2. Home Web
3. Hub

Opening the link referred to above, you will gain access to a quick video showing the set-up process in action. Below is a brief breakdown of each step.

### Accessing Home Web

Home Web is where you can:

- View observations, documentation and plans for your child
- Save your payment information
- View your finances
- Sign your CWA

### Accessing Home App

The Home App is where you can:

- View observations
- View your upcoming/previous bookings, request for bookings, notify your centre of absences/late drop offs
- Sign your CWA
- View your CCS entitlements
- View your finances

### Saving your payment details

Note: this step might not be relevant to all parent/guardians depending on whether your service is using a payment gateway. Please check with your service administrator if you are unsure. Note: only the primary carer of the child will be able to save bank details.

To save your bank details, follow the steps below.

1. Login to home.myxplor.com
2. Click Finance > Auto Debit Setup

### Create your password

Create a password from the welcome email that was sent to you by your service.

*Note: Check your junk mail folder. If you have not yet received an email, please contact your service coordinator.*

## Set up your Xplor ID and Access Code

After you have set up your password, you have the option of creating an Xplor ID and Access Code. The Xplor ID and access code is used to login to the Hub when you sign your child into the service as an alternative to scanning the QR Code with the Home App.

For a more efficient and contact-free process when signing your child in or out using the Hub, use your Home App to scan the QR code on the HUB at your centre. The Xplor ID and Access Code can be used as a back-up.

You should be setting an Xplor ID and Access Code if you have multiple Xplor profiles (parent profile and educator profile) that you would like to merge into one account.

### **To set up your access code, please see steps below.**

Login to [home.myxplor.com](http://home.myxplor.com) with the email and password you set up previously.

Please refer to the Cancellation section of this handbook for information relating to changing or cancelling permanent bookings. Permanent bookings falling on a Public Holiday will incur a discount fee.

- If any of the forms below are required for your child, you will be prompted to complete them during the enrolment process and upload onto your enrolment.
  - Asthma and Medical Management Plans (if applicable)
  - Court Orders (if applicable)
  - Medical diagnosis letters (if applicable)
  - The service will contact the family to provide an opportunity to engage in an orientation visit.

Please note:

- Staff at the programs are not able to accept a child until the enrolment forms have been submitted online and the child has been booked into the program.
- Parents are responsible for ensuring that details and authorisations on the enrolment form are kept current, you can do this by supplying any change of information to the service for them to update.
- Families will be emailed a copy of the family handbook and venue information sheet and reminded both documents can be found onsite at the venue or on our website [www.ballarat@ymca.org.au](http://www.ballarat@ymca.org.au)

## Orientation Visit

To ensure both child and family feel settled and supported within our YMCA service we encourage an orientation visit is completed prior to the child's first paid day of attendance with any of our OSHC programs. This is where the child's enrolment form will be reviewed by the service educator to ensure all required asthma, medical management plans, court orders and medical diagnosis letters have been provided. This visit also provides families an opportunity to ask any additional questions which may have arisen.

### Children with Medical Conditions

To best support children with medical conditions, there is a plan which an educator will need to complete as part of the child's enrolment. This must be done in consultation with the family, so you may receive a phone call, or it may be requested that you attend a meeting prior to any bookings being made. \*A copy of the letter of diagnosis from the medical practitioner will also need to be provided at the orientation visit at the service.

### Children with Additional Needs

To best support children with additional needs, we require on enrolment a copy of the medical diagnosis (if applicable). Prior to bookings being made, OSHC educators will work with families on the orientation visit to develop an individual inclusion plan as part of the child's enrolment. The purpose of the plan is to ensure the child's needs and abilities are discussed and recorded, including agreed strategies for educators to implement to support the child's needs.

## Children with Specific Care Needs

Respect for diversity is very important at the YMCA, and to ensure that these needs are met with the knowledge and respect they deserve, staff may contact families prior to bookings being made in order to discuss additional care needs which do not fall into the above categories, such as specific cultural practices, family beliefs or personal lifestyle choices. This may take place over the phone, or a meeting may be requested.

**Please note:** Educators at the programs legally cannot accept a child into their program until the enrolment and orientation process documented above has been completed. Parents are responsible for ensuring that all contact details and authorisations on the enrolment form are always kept current.

## Bookings

### Permanent (BSC AND ASC)

A permanent booking is defined as a child booked to attend the service on the same day/s each week. We follow the Victorian School Holidays and Term dates, if your child's school finishes early an Absent, Cancellation of Permanent bookings form will need to be submitted to the service at least 5 days before the required change.

Please refer to the Cancellation section of this handbook for information relating to changing or cancelling permanent bookings. Permanent bookings require payment via direct debit only. Please refer to the direct debit schedule underneath the direct debit heading below.

### Casual – (BSC and ASC)

Casual bookings are days that do not fall into a regular weekly pattern. These bookings can be made via Your Home App up until 1pm on the day of requirement. Last minute bookings will be dependent on available spaces directly communicated with the service.

### Vacation Care Program

Bookings for our Vacation Programs open three weeks prior to the commencement of the programs. The opening date for each program is advertised on our website, [www.ballarat.ymca.org.au](http://www.ballarat.ymca.org.au), Facebook page and at each service.

Bookings can be made at any time after the opening date through Your Home App, however places for these programs fill quickly and it is recommended that family's book early to avoid disappointment.

Bookings for the Vacation program require payment via direct debit only. Please refer to the direct debit schedule on page 19 of this document.

## Changes To Booking Arrangements

### Before and After School Care

If there is a change to care arrangements made during the school day, it is the family's responsibility to contact both the school general office and the OSHC service prior to 1pm to notify of the change.

In the event that a child/ren presents to After School Care and they are not on the attendance list, staff will refer the child to the school office. School staff will contact parents and obtain information as to where the child/ren should be. At this point the duty of care remains in the hands of the school.

In the event that a child/ren presents to Before School Care and they are not on the attendance list. The lead educator cannot accept the child's attendance and the duty of care remains in the hands of the parent/guardian who brought the child to the program. The parent/guardian will be refused casual/unannounced care but will be supported to ensure they understand our required enrolment and booking procedures which need to be followed through your Home app. Rostered staffing and transport are planned and are based on permanent numbers of children due to attend. Casual bookings for transport are not an option.

When a child/ren is booked in to travel via the Y Ballarat transport scheme the following will occur; where a child fails to present at the designated meeting point at their school, the educator on the bus will call the school to check if the child was in attendance that day.

- If confirmed "no", the bus will continue on its usual route.
- If confirmed 'yes' and the child was in attendance, the school will put over an announcement for the child. If the child fails to turn up within five minutes of the bus waiting, it will continue its route and the child will remain in the care of the school who will contact the family to collect the child.

If you are aware of an absence which will affect your permanent booking, a Leave of Absence Form can be submitted at least 5 days prior to the absence to receive the reduced absence fee of 25% of the daily fee (less CCS entitlements). This is to allow for any necessary modifications that may be needed to consumable orders and staff requirements. The Leave of Absence Form can also be used for occasions where child illness prevents attendance and a medical certificate is supplied within 5 days of the absence/s.

To change or cancel a permanent booking a Change or Cancellation of Permanent Bookings Form will need to be submitted at least 5 days before the required change. Once submitted, forms will be processed and families notified of the outcome.

Casual bookings can be removed without charge via Home app up to 2 business days before the absence.

### Vacation Care Program

Bookings for the Vacation care program cannot be refunded or transferred. If there is a change to care arrangements in Vacation care, please contact the service to notify staff. No refunds or cancellation fees for absences will be applied for our vacation care programs.

A discounted absence fee may only be applied in the instance of illness wherein a Request for Absence Form is completed with an attached medical certificate within one week of the affected booking. In this case, the discounted absence fee will be applied to the family's account.

## Signing In and Out

Please note that only individuals identified as a hub guest on a child's enrolment form are authorised to sign them in or out of a service. Written permission must be given for children to be collected by anyone not already identified on the enrolment form. ID may need to be shown upon pick up. **\*\*Under no circumstances will any staff member allow a child to be removed from the service by an unauthorised person.**

**Please remember:** Only the person who enrolled the child can make changes to the enrolment form and it is solely the responsibility of the parent/guardian to ensure the enrolment authorisations are kept up to date at all times. Aggressive behaviour or interactions towards educators regarding releasing a child to a friend/relative who is not listed on the authorisations will not be tolerated and will result in cancellation of future bookings.

### Before School Care

Children must be signed in upon arrival at program. Educators will sign children out of the service at the end of the before school care session.

## After School Care

Educators will sign children in upon arrival at the service. Preps will be collected at an agreed meeting point, discussed prior with the school, by an educator at the end of each school day for the duration of Term 1 only. All other children are required to find their way to the After-School Care service. Children must be signed out by an authorised person upon pick up.

## Vacation Care Program

Children must be signed in upon arrival, and out upon pick up at our Vacation Care programs by an authorised person. Please refer to our 'Delivery and Collection of Children' and 'Acceptance and Refusal of Authorisations' policies for further information.

## Custody Information

If there is any custody information that the staff need to be aware of, please notify accordingly and provide copies of all legal documents to staff in accordance with our regulation requirements. We appreciate any information you can provide in caring for your children and will maintain complete confidentiality. Please note that educators cannot legally refuse the release of a child into the care of a parent without a provided copy of current court order.

## Transport Scheme

The Y Ballarat OSHC Transport scheme is provided in partnership with Gold Bus and Ballarat Maxi Cabs. All drivers hold a current Working with Children Check and are committed to providing a safe travel experience for each of our OSHC children. # Programming

## Programming

The Y Ballarat OSHC team are committed to providing engaging programs which support each child's needs and interests. Our programs align with the 'My Time, Our Place' Framework for School Age Care in Australia and through this target five developmental outcomes; identity, community, wellbeing, learning and communication.

Our services utilise both indoor and outdoor spaces and use a combination of flexible and structured components in the delivery of their service. We pride ourselves on providing programs that are enjoyable and beneficial for all involved.

Each OSHC service provides a unique experience, with their own philosophy and pedagogy reflective of their staff, children, families, environment, local & school community.

The services' current program and philosophy are on display at each site and we encourage family contribution and feedback at all times.

## Staffing

The YMCA Outside School Hours Care programs are licensed by the Department of Education and Training. Our staff hold relevant qualifications in accordance with the Education and Care Services National Act and Regulations. The name of the person responsible for the service (Lead Educator) will be on display each day at the service. There will always be a minimum of two staff on duty with child to staff ratios implemented at all times as follows: 1:15 children at the service, 1:12 for excursions and 1:5 for water activities.

## The Y Ballarat OSHC & Behaviour Guidance

For each program to run smoothly and safely, we expect that all families and children will act in a safe and sensible manner whilst participating in activities at the service and out on excursions in the local community. If educators experience any concerns with a child's behaviour being a potential risk to themselves, to other children or educators. Then parents/guardians will be contacted and depending on the level of risk they may be required to collect their child early or immediately from the service or excursion.

Having supportive relationships with the educators supports children to develop confidence in their ability to express themselves, work through differences, learn new things and take calculated risks.

It is so important to inform staff at the time of enrolment or orientation if your child requires any assistance with settling or behaviour guidance. This ensures your child is set up to have a successful and positive experience at the program, inclusive of their individual needs. If so, educators will require a meeting time at the service or over the phone to ensure a behaviour plan developed and documents agreed strategies which are consistent with the child's school and home environment. Please refer to our 'Interactions with Children Policy' for further information.

# Child Care Subsidy

## Child Care Subsidy

Childcare Subsidy enables families to receive a discount directly off the daily service fee.

The amount of subsidy that families will receive will be based on three things:

1. Their combined family income
2. The level of 'approved' activity they undertake
3. The type of childcare service they use.

If your child attends the service on a:

- Casual capacity you will need to tick and confirm "Casual" on your myGov.
- Permanent capacity you will need to tick and confirm "Routine" and "Casual" on your myGov.

As YMCA Ballarat services are approved for CCS, please ensure you provide us with your CRN number and the date of birth of both your child/ren and the parent/guardian who receives CCS.

Families will receive their Child Care Subsidy (CCS) off the fee once they approve their booking through their myGov account. It is important that families approve their attendances, as you will not receive or be backdated any CCS for any days that are attended before this approval occurs. Please note that you will need to confirm your enrolment in your myGov account if you have not attended one of our programs in the last 14 weeks, as Centrelink will cease the enrolment due to inactivity. CCS will not be applied if you begin or end your bookings with an absence.

Department of Human Services sends our service updated listings via internet connection every day; however, the contract remains between the DHS and individual families. It is therefore your responsibility to notify the DHS of any changes to your income.

## Child Care Subsidy Record Of Absences

### Allowable and Approved Absences

In accordance with the Department of Education, Employment and Workplace Relations guidelines, payment of Child Care Subsidy will be paid for a child's absence from care for up to 42 days per financial year. If a child is absent on the day where Child Care Subsidy is claimed the parent is required to nominate the reason for their absence to the OSHC service. Once the child has reached 42 allowable absence days, CCS is not paid for any further absences unless the absences are taken for an approved absence day reason. CCS can only be paid for an allowable or an approved absence day if the child would normally have been in care on that day. The hours of CCS paid for an allowable or approved absence day are the usual number of hours a child's family would have been eligible for on that day.

For any further details or clarification on the above please see your Department of Human Services.

# Medical And Emergency Management

# Medical And Emergency Management

## Medical Conditions

To ensure quality care for all children, we insist families communicate all medical conditions information applicable to their child. Providing all relevant and required details to ensure educators are informed and know how to cater to the child's medical condition at all times.

A copy of the child's medical management plan signed by the doctor must be provided with their enrolment form. In addition, a Risk Minimisation Plan, which includes a Communication Plan, will be developed by educators in consultation with families prior to booking. Please refer to our 'Medical Conditions in Children's Services', 'Anaphylaxis', 'Asthma', 'Diabetes' and 'Epilepsy' Policies for further information.

## Medication

Families are required to sign in all children's medication. Full details, including dosages, times, child's name, doctor's name and expiration date must be provided and staff will co-sign once medication has been administered. Medication must be in its original container, bearing the original label with the name of the child to whom the medication is to be administered and be within its expiry date. All medicines will be kept in a secure location, out of reach of children. Medication is not to be kept in school bags. The medication register can be found when signing children in/out. Please ask one of our staff for assistance. Please refer to our 'Administration of Medication Policy' for further information.

## Incident, Illness, Injury and Trauma

All incidents, injuries, illnesses or traumas and the treatment given for these will be recorded on our Incident, Injury, Trauma and Illness Record. Authorised contacts of children may be notified by phone and will be asked to sign the form when collecting the child.

In the case of an emergency, an ambulance will be called, and you will be contacted immediately. Parents are requested to ensure that all contact numbers and contact details on the enrolment form are correct and up to date at all times. If either parent cannot be contacted, emergency contacts will be called. The cost of the ambulance or any medical expenses will be covered by the child's family.

Please refer to our 'Administration of First Aid' and 'Incident, Injury, Trauma and Illness' policies for further information.

## Emergency and Evacuation

Individual Emergency Management Plans are in place at each OSHC service. Evacuations and lockdowns will be rehearsed each term with the children at the service. Please refer to our 'Emergency & Evacuation Policy' for further information.

## Infectious Disease Exclusion

If the case that any infectious disease occurs at the service, affected child/ren may be excluded for the communicable period of the disease or until they have satisfied conditions to return to the service. This exclusion is necessary for the protection of all children and to reduce the risk of further infection. If a parent reports that their child has contracted a contagious disease the program will put up a notice to advise parents.

Please refer to the latest edition of 'Staying Healthy: Preventing infectious diseases in early childhood education and care services' published by the Australian Government: National Health and Medical Research Council for information on exclusion periods. This document is available from [nhmrc.gov.au](http://nhmrc.gov.au). You can also refer to our 'Dealing with Infectious Diseases Policy' for more information.
